

## **MANIC CYCLES - 2022 TANKWA TREK WORKSHOP SERVICES**

With either package options we will wait for you & your bike at the finish line area within the race village. and we will return it to the bike park once serviced & tested, ready for the next stage.

Which ever package you select, we will charge for parts & stock at our standard shop rates.

Labour charges are elevated to help cover the costs of travel and setting up mobile shop.

We have two options:

### **1. Std package. R1250 per rider**

**R 1 250.00** per rider

- Wash & lube after stage 1.
- Minor service after Stage 2 & Stage 3.
  - = Wash bike, set gears and brakes plus lube after each stage.
  - = Stan's sealant levels, Headset, bb and hubs checked each stage.

*(Labour for any of above that needs work will be extra)*

- All other labour additional
- Spares at standard shop rates
- Finish excluded (Optional extra, must be pre-arranged)

### **2. Full package. R2000 per rider.**

**R 2 000.00** per rider

- Full service after each stage (including after short stage on day 1)
  - = Any work that might be required will be inclusive in this package.
- No additional labour charges (unless outsourced to suppliers)
- Spares at standard shop rates
- Finish excluded (Optional extra, must be pre-arranged)

### **Additional charges:**
