

MANIC CYCLES - 2023 PE TO PLETT WORKSHOP SERVICES

With either of the package options we will wait for you & your bike at the finish line area within and we will return it to the bike park once serviced & tested, ready for the next stage.

Bikes will be washed by our own staff, to ensure bikes & especially the drive train is properly cleaned. Which ever package you select, we will charge for parts & stock at our standard shop rates.

Labour charges are elevated to help cover the costs of travel and setting up mobile shop.

We have two options:

1. Std package. R2350 per rider

R 2,350.00

- Minor service after Stages 1, 2 & 3. (Final stage not included)
 - = Degrease drive train, proper bike wash, plus lube after each stage.
 - = Check/reset of gears, wear on chain, brake pads, bearings etc.
 - = Check sealant levels, Headset, bb and hubs checked each stage.
 - = Check all bolts for correct torque and alignment of bars and saddle
 - = Apply correct lubrication to any moving parts (i.e. pivots on dual suspension bikes)
 - = Perform final test ride, before parking in bike park.
- Any major job, labour will be additional (I.e frame or wheel rebuild, pivot service etc.)
- Spares at standard shop rates
- Finish excluded (Optional extra, must be pre-arranged)

2. Full package. R3500 per rider.

R 3,500.00

- Full service after Stages 1, 2 & 3. (Final stage - Wash & lube included)
 - = We will also be on standby to assist at registration, and prior to the start of day1.
 - = Any work that might be required will be inclusive in this package.
